The Friends of Ruislip Woods is run by the Ruislip Woods Trust , a charitable trust set up by five local residents associations to develop the educational, monitoring and survey aspects of the woods– all designed to ensure that the local community and users of the woods know about the Woods, understand what changes are occurring (both natural and man-made) and provide accurate information to preserve the quality of the habitat. Membership fees (only £8 per annum) are used to provide this information
